Mobile-Friendly Email Designer for E-commerce brands with 8+ years of experience in web, graphic, and marketing design.

I create clean, branded, mobile-friendly email designs for product launches, promotional campaigns, newsletters, customer education, and retention-style emails.

My background in web design, funnel layouts, and campaign visuals helps me design emails with clear hierarchy, readable layouts, consistent branding, and stronger product presentation.

Tools include Canva, Figma, Photoshop, Illustrator, and basic HTML/CSS. I can prepare designs for handoff to email platforms such as Klaviyo, Mailchimp, Shopify Email, Systeme.io, or a client's preferred builder.
